Be A Survivor—Your Interactive Guide to Breast Cancer Treatment, 1:2
Book reviews
  The Internet and Healthcare, 2nd Edition, 154
  MEDLINE for Health Professionals: How to Search PubMed on the Internet, 149
  Mental Health Internet Pocket Guide, 52

C

Cancer support groups, on Internet, gender differences in, 65
Cardiac catheterization, acuity system for cardiac catheterization laboratory and, 129
Case studies
  of analysis, processes, and techniques, 203
  of clinical coding in ambulatory settings, 207
Chart Smart II: Mastering Patient Documentation, 101
Clinical coding, in ambulatory settings, case study of, 207
Clinical Delegation and Nursing Roles, 1:4
Clinical information systems
  model-based context assessment approach for informatics nurse specialist consultants and, 221
  nurses' perceptions of, 181
  operational model for patient-centered informatics and, 278
Collaboration, international nursing education using interactive desktop video conferencing and, 186
Community healthcare, designing information technology application for nursing education in, 73
Computer-assisted instruction, multimedia, interactive instruction using, 171
Computer literacy, among undergraduate students, 166
Computer simulation, for learning assessment and palpation skills, 114
Conductor: Orchestrating Training, 4
Congenital disease, interactive multimedia computer-assisted instruction program for, 171
Consultation, model-based context assessment approach for informatics nurse specialist consultants and, 221
Continuing education, online, 105
Cooperative learning strategies, interactive videodisc instruction for undergraduate nursing students using, 89
Copyrights, on Internet, 82
Core Curriculum in Primary Care: Cardiovascular Medicine, 2:7
Core Curriculum in Primary Care: Gynecology, 2:4
Core Curriculum in Primary Care: Infectious Diseases, 151
Core Curriculum in Primary Care: Orthopedics/Sports Medicine, 2:2
Correspondence, efficacy of tests in predicting outcomes, 241
Costs, intensive care unit bedside documentation systems and, 32
Curriculum evaluation, predicting success with HESI Exit Exam and, 120

D

Databases
  computerized, for evaluation of student clinical experiences in primary health care, 16
  relational, to support nursing research, 269
  transformation and adaptive playback technology and, 198
Decision Explorer, 8
Developing countries, software for primary healthcare in, 291
Diagnosis, computer-based mental health assessments and, 215
Digital domain for nursing, 14
Distance learning
  faculty experiences with providing online courses and, 42
  interactive, using desktop video conferencing, 186
  technoglitches in, 232
Documentation, intensive care unit bedside documentation systems and, 32

Subject Index

E

Ears ON!, 235
Educational measurement, computerized database for evaluation of student clinical experiences in primary health care and, 16
Educational theory, computer simulation for learning assessment and palpation skills based on, 114
Electrocardiography, Web-based editing of, 235
Electronic mail, factors impacting nurses' use of, 251
Electronic meetings, 27
Employee evaluation, electronic meetings and, 27
Encyclopedia of Nursing Skills (Series 2001), 193

F

Faculty, experiences with providing online courses, 42
Fundamentally Fun Graphics, Version 2.0 for Windows 95 of higher, 236

G

Gender differences, in cancer support groups on Internet, 65
Grades, computer spreadsheet approach to calculating, 2:1
Graduate education, in informatics, completely Web-based, student perspectives on, 212
GrantSlam Duo 398/2590, 1:4
Graves, Judith, honored by New York University, 200

H

Hayes, Sandra K., award won by, 61
Healthcare Computing '99, 99
Health Care Financing Administration
  HBOC selected by, 10
  nurse practitioner educational requirements modification from, 60
Health Level 7
  ANSI approval of Arden Syntax for Medical Logic Systems, 235
  newest standard of, 193
HealthWeb
  award won by, 61
  new subjects added to, 105
Hewlett-Packard, medical supply web site of, 61
Hospitals, intensive care unit bedside documentation systems and, 32
HTML (Hypertext Markup Language), 105

I

Infection Control for Home Health, 195
Informatics
  analysis, processes, and techniques case study and, 203
  case study of clinical coding in ambulatory settings, 207
  completely Web-based graduate program in, student perspectives on, 212
  computerized protocol for ventilator management in ARDS patients, 247
  factors impacting nurses' use of electronic mail and, 251
  health information exchange and, 109
  model-based context assessment approach for informatics nurse specialist consultants and, 221
  patient-centered, operational model for, 278
Information Management: Internet Basics, 149
Information systems, designing information technology application for community-focused nursing education, 73
Information technology
  assessment of, 221
  designing application for community-focused nursing education, 73
  Information and Communications Technologies in United Kingdom, 2:3
Intensive care units, intensive care unit bedside documentation systems and, 32
Interactive Future Simulations, 59
Interactive instruction
  international, using desktop video conferencing, 186
  multimedia computer-assisted instruction program using, 171
  videodisc, using cooperative learning strategies, for undergraduate nursing students, 89
International Registry of Nursing Research, 58
Internet
  conducting nursing research via, 3:1
  copyrights on, 82
  gender differences in cancer support groups on, 65
  research indexed through knowledge base of, 158
  student perspectives on completely Web-based graduate programs in informatics and, 212
  telephony, *3:10*
  writing Web sites, *2:12*
The Internet and Healthcare, 2nd Edition (Nicholson), 154
ISI ResearchSoft, formation of, 160

L

Laboratory results, telephony application for retrieving, 161
Legal issues, copyrights on Internet, 82

M

Medical catalogs, free request system for, 160
Medicare, managed care risk adjustment method for, 59
MEDLINE for Health Professionals: How to Search PubMed on the Internet (Hutchinson), 149
Med-Surg Mania, 3:8
Mental health, computer-based assessment of, 215
Mental Health Internet Pocket Guide (Lukoff), 52
Meta-analysis, arcs software system to store and examine results of sleep research and, 259
Microsoft Healthcare Users Group ActiveX, 198
Mobile computing, for health information exchange, 109

Multimedia, interactive computer-assisted instruction program using, 171

N

National Library of Medicine awards, 4
NCLEX-PN, predicting success with HESI Exit Exam, 120
NCLEX-RN, predicting success with HESI Exit Exam, 120
NetLink wireless telephone system, 239
